TESTIMONIALS

I've been roasting on the 22 pound roaster since 2019! I absolutely love the roaster! The roasts are incredibly consistent and precise every time! The ASHE customer service is professional and prompt.

★★★★★ - JEFFERY CHON, GENESIS COFFEE LAB

WORKHORSE! Solid performance, multiple consecutive roasts with an accurate and reproducible profile. Love the ability to view and manipulate the roast as I choose... Air Roasting with the ASHE 22 lb roaster has never been better! Timely and knowledgeable support takes the whole package over the top!

★★★★★ - DARRELL BRADSHAW, KEENBEAN COFFEE ROASTERS

My ASHE roaster has been an extremely durable machine that makes great coffee every time. Every aspect of the machine exudes professional craftsmanship. Repairs are rarely needed but are accessible to the lay person. Definitely one of the best values in coffee roasting.
